Cable From Francis Taken to Forecast a Plea for Recognition

WASHINGTON, Nov. 10 -Cablegrams from Ambansador Francis in Petrograd, received at the State Department to-day confirmed the overthrow of the Kerensky Government. One message dated Nov. 7, and another of the 4th, confirmed despatches which told of the arrest of Cabinet members and the bombardment of the Winter Palace by the

erulser Aurora. Francis messages made no mention of loss of life, and said that Petrograd had again become quiet.

The only information the State Dopartment had to-day from Russia was contained in a telegram which stated that all American Red Cross workers in Russia are well.

The department said that nothing has so far developed upon which this in its present policy toward Russia. accept unjust terms." Until a responsible new government States will take no action.
